

KIDS R KIDS South Fulton #51

FROM THE FRONT DESK

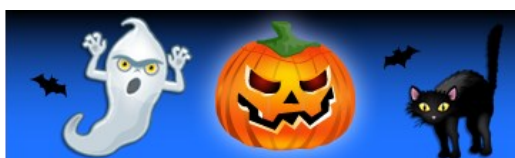

The next four weeks at Kids R Kids will be full of activities for students, parents and teachers. Please make sure you are aware of what time each activity will take place. As you look around you may see a lot of fundraisers, but remember that all proceeds raised from fundraisers will benefit the Fall Festival. This year our Fall Festival will be November 1, 2014, from 1pm to 5pm.

Health & Wellness:

Fall is officially here and with that comes the change of weather. Childhood illnesses are typical, as well as, contagious. Please remember that if your child is sent home with a fever, diarrhea or vomiting, they must stay out a full 24 hours. If there are symptoms that it may be contagious a doctor's note will be required before he/she can return.

HELP KIDS R KIDS ELIMINATE THE SPREAD OF GERMS, YOU MUST WASH YOUR HANDS UPON ENTERING THE CLASSROOM.
