

KIDS R KIDS South Fulton #51

FROM THE FRONT DESK

Parents, please remember if you will be sending sun screen or insect repellent with your child during the summer. Make sure you stop at the front desk and fill out a medication form. Please make sure you replace your winter change of clothes with summer change of clothes. Lastly, kids can't tell time, but they do have an internal clock based on who's here and who's left. If you will be late picking up your child, please make sure you give us a call. It brings comfort to your child when we can say Mommy or Daddy just called and they're on the way.

Health & Wellness:

Heat and Infants and Children

Infants and young children are more sensitive to the effects of extreme heat , and must rely on other people to keep them cool and hydrated.

- Never leave infants or children in a parked car.
- Dress infants and children in loose, light-weight, light colored clothing.
- Have them drink more water than usual, even if they are not thirsty.

HELP KIDS R KIDS ELIMINATE THE SPREAD OF GERMS, YOU MUST WASH YOUR HANDS UPON ENTERING THE CLASSROOM.
